

Terms of Use

1. GENERAL

Bazaarboy LLC ("BB") provides services through its website and computer servers, including but not limited to advertising and personal information exchange. (All such services are referred to collectively herein as "Bazaarboy.") By accessing or using Bazaarboy you are a "user" and you accept and agree to the terms below (the "Terms of Use" or "TOU") as a legal contract between you and BB. The TOU in BB and incorporate additional terms ("guidelines") applicable to particular categories or services available on Bazaarboy as set forth to users upon access to such categories or services. BB may post changes to the TOU at any time, and any such changes will be applicable to all subsequent access to or use of Bazaarboy.

If you do not accept and agree to all provisions of the TOU, now or in the future, you may reject the TOU by immediately terminating all access and use of Bazaarboy, in which case any continuing access or use of Bazaarboy is unauthorized.

You are also required to comply with, and to ensure compliance with, all laws, ordinances and regulations applicable to your activities on Bazaarboy.

Bazaarboy is intended and designed for users 18 years of age and older, and access or use by anyone younger is not authorized.

The TOU grant you a limited, revocable, nonexclusive license to access Bazaarboy and use Bazaarboy, in whole or in part, including but not limited to BB intellectual property therein, solely in compliance with the TOU.

2. MODERATION

BB has the right, but not the obligation, to regulate content (which includes but is not limited to postings, text, code, images, video, binary files, ads, accounts, account information, flags, emails, messages and any other user communications ("content")) posted to, stored on or transmitted via Bazaarboy by any user (or any other third party in any manner); to regulate

conduct (including but not limited to any authorized or unauthorized access to or use of Bazaarboy) by any user (or any other third party in any manner); and to enforce the TOU, for any reason and in any manner or by any means that BB, in its sole discretion, deems necessary or appropriate (including but not limited to automated and manual screening, blocking, filtering, exclusion from index pages, exclusion from search results, requiring the use of an application programming interface (API), requiring the use of a bulk posting interface, authorization, verification, and the deletion and/or termination of content, accounts and/or all or any use or access). BB may, in its sole discretion and without notice, start, stop or modify any regulation or enforcement measures at any time. BB action or inaction to regulate content or conduct or to enforce against any potential violation of the TOU by any user (or any other third party) does not waive BB's right to implement or not implement regulation or enforcement measures with respect to any subsequent or similar content, conduct or potential TOU violation.

You also understand and agree that any action or inaction by BB or any of its directors, officers, employees, consultants, agents or representatives (collectively, "BB Representatives") to prevent, restrict, redress or regulate content, or to implement other enforcement measures against any content, conduct or potential TOU violation is undertaken voluntarily and in good faith, and you expressly agree that neither BB nor any BB Representative shall be liable to you or anyone else for any action or inaction to prevent, restrict, redress, or regulate content, or to implement other enforcement measures against any content, conduct or potential violation of the TOU.

Although BB Representatives may moderate content, conduct and TOU compliance on Bazaarboy at BB's discretion, BB Representatives have no authority to make binding commitments, promises or representations to anyone that they or anyone else on behalf of BB will "take care" of any alleged problem or complaint, or that they or anyone else on behalf of BB will otherwise stop, cure or prevent any problem, content, conduct or purported TOU violation from occurring or recurring. Accordingly, you further agree that any representation (written or verbal) by any BB Representative (or by anyone else acting on behalf of BB or by anyone purportedly acting on behalf of BB) that BB (including but not limited to any BB Representative, anyone else acting on behalf of BB, or anyone purportedly acting on behalf of BB) would or would not prevent, restrict, redress or regulate content (including, without limitation, screen, block, moderate, review, remove, terminate, delete, edit or otherwise stop, cure or exclude any content), or to implement other enforcement measures against any content, conduct or potential or purported TOU violation is superseded by this provision and is nonbinding and unenforceable. Specifically, you agree that BB, BB Representatives and anyone else authorized to act on behalf of BB shall in no circumstance be liable as a result of any representation that BB, a BB Representative or anyone else on behalf of BB would or would not restrict or redress any content, conduct or potential or purported TOU violation. This paragraph may not be modified, waived or released except by a written agreement, dated and signed by BB's Chief Executive Officer and dated and signed by the individual or entity to whom the modification, waiver or release is granted.

BB also has the right in its sole discretion to limit, modify, interrupt, suspend or discontinue all or any portions of Bazaarboy at any time without notice. BB and BB Representatives shall not be liable for any such limitations, modifications, interruptions, suspensions or discontinuance, or any purported losses, harm or damages arising from or related thereto.

This indemnification obligation includes payment of any attorneys' fees and costs incurred by BB or BB Representatives.

4. POSTING AND ACCOUNTS

This section 4 applies to all uses and users of Bazaarboy, unless BB has specifically authorized an exception to a particular term for a particular user in a written agreement. BB has sole and absolute discretion to authorize or deny any exception or exceptions to the terms in this section.

a. Postings

Bazaarboy is intended and designed as a local service. A user may post content only to the single specific community offered on Bazaarboy for which that content is most relevant. The same or substantially similar content (for example, an ad for a particular item or service, a particular offer, a particular message or a particular comment) may not be posted to or communicated via more than one such geographic area. Content that is equally relevant to multiple (i.e., more than one) geographic areas should not be posted on Bazaarboy.

Users may not circumvent any technological measure implemented by BB to restrict the manner in which content may be posted on Bazaarboy or to regulate the manner in which content (including but not limited to email) may be transmitted to other users. This prohibition includes,

without limitation, a ban on the use of multiple Facebook accounts; the use of multiple IP addresses (via proxy servers, modem toggling, or otherwise); CAPTCHA circumvention, automation or outsourcing; multiple and/or fraudulent Bazaarboy accounts, including; URL shortening, obfuscation or redirection; use of multiple phone lines or phone forwarding for verification; and content obfuscation via HTML techniques, printing text on images, inserting random text or content "spinning."

It is expressly prohibited for any third party to post content to Bazaarboy on behalf of another. Users must post content only on their own behalf, and may not permit, enable, induce or encourage any third party to post content for them.

It is expressly prohibited to post content to Bazaarboy using any automated means. Users must post all content personally and manually through all steps of the posting process. It is also expressly prohibited for any user to develop, offer, market, sell, distribute or provide an automated means to perform any step of the posting process (in whole or in part). Any user who develops, offers, markets, sells, distributes or provides an automated means to perform any step of the posting process (in whole or in part) shall be responsible and liable to BB for each instance of access to Bazaarboy (by any user or other third party) using that automated means. Affiliate marketing is expressly prohibited on Bazaarboy. Users may not post content or communicate with any Bazaarboy user for purposes of affiliate marketing or in connection with any affiliate marketing system, scheme or program in any manner or under any circumstance.

b. Accounts

A user may maintain and use no more than one account to post content. A user specifically may not create or use additional accounts for the purpose of circumventing technological restrictions (security measures) in the posting process or otherwise for posting content in violation of the TOU.

A user may create an account only on his/her own behalf. A user must not permit, enable, induce or encourage others to create accounts or PVAs for him/her. The creation of accounts for others is expressly prohibited.

A user must only use his/her own account and may not use any account of another. The purchase and sale of accounts is expressly prohibited. A user must create his/her account personally and manually and may not create accounts by any automated means.

c. Flagging

A user shall not "flag" (or otherwise seek removal of) content on Bazaarboy without a personal, good-faith belief that the content violates the TOU. A user may flag content only on his/her own behalf. A user must not permit, enable, induce or encourage others to flag content for them. A user must not flag content for others.

A user may flag a specific item of content only once.

A user flagging content must do so manually and may not employ any automated means, products (including, without limitation, software programs) or services to flag content. A user must not circumvent any technological restrictions (security measures) in the flagging process. Without limitation, this prohibition includes a ban on the use of multiple IP addresses for flagging (by use of proxy servers or any means whatsoever).

5. UNAUTHORIZED ACCESS AND ACTIVITIES

This section 5 applies to all uses and users of Bazaarboy, unless BB has specifically authorized an exception to a particular term for a particular user in a written agreement. BB has sole and absolute discretion to authorize or deny any exception or exceptions to the terms in this section

To maintain the integrity and functionality of Bazaarboy for its users, access to Bazaarboy and/or activities related to Bazaarboy that are harmful to, inconsistent with or disruptive of Bazaarboy and/or its users' beneficial use and enjoyment of Bazaarboy are expressly unauthorized and prohibited. For example, without limitation:

The collection of Bazaarboy users' personal information (including but not limited to email addresses, IP addresses and telephone numbers) is not allowed for any purpose.

Any copying, aggregation, display, distribution, performance or derivative use of Bazaarboy or any content posted on Bazaarboy whether done directly or through intermediaries (including but not limited to by means of spiders, robots, crawlers, scrapers, framing, iframes or RSS feeds) is prohibited. As a limited exception, general purpose Internet search engines and noncommercial public archives will be entitled to access Bazaarboy without individual written agreements executed with BB that specifically authorize an exception to this prohibition if, in all cases and individual instances: (a) they provide a direct hyperlink to the relevant Bazaarboy website, service, forum or content; (b) they access Bazaarboy from a stable IP address using an easily identifiable agent; and (c) they comply with BB's robots.txt file; provided however, that BB may terminate this limited exception as to any search engine or public archive (or any person or entity relying on this provision to access Bazaarboy without their own written agreement executed with BB), at any time and in its sole discretion, upon written notice, including, without limitation, by email notice.

Any access to or use of Bazaarboy to design, develop, test, update, operate, modify, maintain, support, market, advertise, distribute or otherwise make available any program, application or service (including, without limitation, any device, technology, product, computer program, mobile device application, website, or mechanical or personal service) that enables or provides access to, use of, operation of or interoperation with Bazaarboy (including, without limitation, to access content, post content, cross-post content, re-post content, respond or reply to content, verify content, transmit content, create accounts, verify accounts, use accounts, circumvent and/or

automate technological security measures or restrictions, or flag content) is prohibited. This prohibition specifically applies but is not limited to software, programs, applications and services for use or operation on or by any computer and/or any electronic, wireless and/or mobile device, technology or product that exists now or in the future.

If you access Bazaarboy or copy, display, distribute, perform or create derivative works from Bazaarboy webpages or other BB intellectual property in violation of the TOU or for purposes inconsistent with the TOU, your access, copying, display, distribution, performance or derivative work is unauthorized. Circumvention of any technological restriction or security measure on Bazaarboy or any provision of the TOU that restricts content, conduct, accounts or access is expressly prohibited. For purposes of this paragraph, you agree that cached copies of Bazaarboy webpages on your computer or computer server constitute "copies" under the Copyright Act, 17 U.S.C. § 101. For purposes of this paragraph, you further agree that CAPTCHAs and telephone verification are "technological measures" that effectively control access to copyright-protected components and rights of BB pursuant to 17 U.S.C. § 1201.

Any effort to decompile, disassemble or reverse engineer all or any part of Bazaarboy in order to identify, acquire, copy or emulate any source code or object code is expressly prohibited.

Any activities (including but not limited to posting voluminous content) that are inconsistent with use of Bazaarboy in compliance with the TOU or that may impair or interfere with the integrity, functionality, performance, usefulness, usability, signal-to-noise ratio or quality of all or any part of Bazaarboy in any manner are expressly prohibited.

Any attempt (whether or not successful) to engage in, or to enable, induce, encourage, cause or assist anyone else to engage in, any of the above unauthorized and prohibited access and activities is also expressly prohibited and is a violation of the TOU.

6. USER COMMUNICATIONS, TRANSACTIONS, INTERACTIONS, DISPUTES AND RELATIONS

BB and BB Representatives are not parties to, have no involvement or interest in, make no representations or warranties as to, and have no responsibility or liability with respect to any communications, transactions, interactions, disputes or any relations whatsoever between you and any other user, person or organization ("your interactions with others"). You must conduct any necessary, appropriate, prudent or judicious investigation, inquiry, research or due diligence with respect to your interactions with others.

You agree to indemnify and hold BB and BB Representatives harmless from and against any third-party claim, cause of action, demand or damages related to or arising out of your interactions with others. This indemnification obligation includes payment of any attorneys' fees and costs incurred by BB or BB Representatives.

BB stores user passwords with an irreversible hash and salt to keep all user accounts safe. The connection is encrypted using AES_128_CBC, with SHA1 for message authentication and DHE_RSA as the key exchange mechanism.

BB uses third party payment provider Stripe to handle all transactions. No credit card or bank information is stored in the BB database. This information resides solely on Stripe's servers. You can learn more at <https://stripe.com/us/terms>. Neither Bazaarboy nor Stripe will share any information with third parties.

7. FEES

BB may charge a fee to post content or for other features, products, services or licenses. You are responsible to BB for any fees applicable to content that you post or other features, products, services or licenses you purchase or that are purchased through your account. You authorize BB, or its designated payment processor, to charge your specified credit card, debit card or other payment method for such fees.

Unless otherwise specified, all fees are in United States dollars and all charges will be made in United States dollars. Any applicable sales or other taxes are additional to the stated fee. Currency exchange settlements and foreign transaction fees are based on your agreement with your credit card or other payment method provider.

Except as required by law, all fees are nonrefundable, including, without limitation, in situations where paid posts are removed by BB or by community flagging. Payments and purchases may not be canceled by the user, except as required by law. However, BB reserves the right to refuse or terminate any purchase or attempted purchase at any time in its sole discretion. You understand and agree that if you authorize a payment transaction with your credit card, debit card or other payment method, but your charge is rejected for any reason, there may be a hold on your use of that transaction amount for several days.

THIS LIMITATION OF LIABILITY APPLIES REGARDLESS OF, BUT IS NOT RESTRICTED TO, WHETHER THE ALLEGED LIABILITY, HARM, INJURY, LOSS OR DAMAGES AROSE FROM AUTHORIZED OR UNAUTHORIZED ACCESS TO OR USE OF BAZAARBOY OR CONTENT ACCESSED THROUGH BAZAARBOY; ANY INABILITY TO ACCESS OR USE Bazaarboy OR CONTENT ACCESSED THROUGH BAZAARBOY; OR ANY REMOVAL, DELETION, LIMITATION, MODIFICATION, INTERRUPTION, SUSPENSION, DISCONTINUANCE OR TERMINATION OF BAZAARBOY OR CONTENT ACCESSED THROUGH BAZAARBOY.

11. INJUNCTIVE RELIEF

You acknowledge and agree that any violation or breach of the TOU may cause BB immediate and irreparable harm and damages; consequently, notwithstanding any other provision of the TOU or other applicable legal requirements, BB has the right to, and may in its discretion, immediately obtain preliminary injunctive relief (including, without limitation, temporary restraining orders) and seek permanent injunctive relief regarding any violation or breach of the TOU. In addition to any and all other remedies available to BB in law or in equity, BB may seek specific performance of any term in the TOU, including but not limited to by preliminary or permanent injunction.

12. DAMAGES

In addition to any injunctive relief, you agree to pay to BB the total amount of all actual damages (including but not limited to direct, indirect, consequential and incidental damages) caused by any violation of the TOU for which you bear responsibility; EXCEPT you acknowledge that, for certain TOU violations, actual damages would be extremely difficult or impossible to quantify.

13. PRIVACY

BB has established a privacy policy covering the collection, use, and disclosure of user information:
